This is Layout the BotMaster After Installing the software of the product

Process After Installation
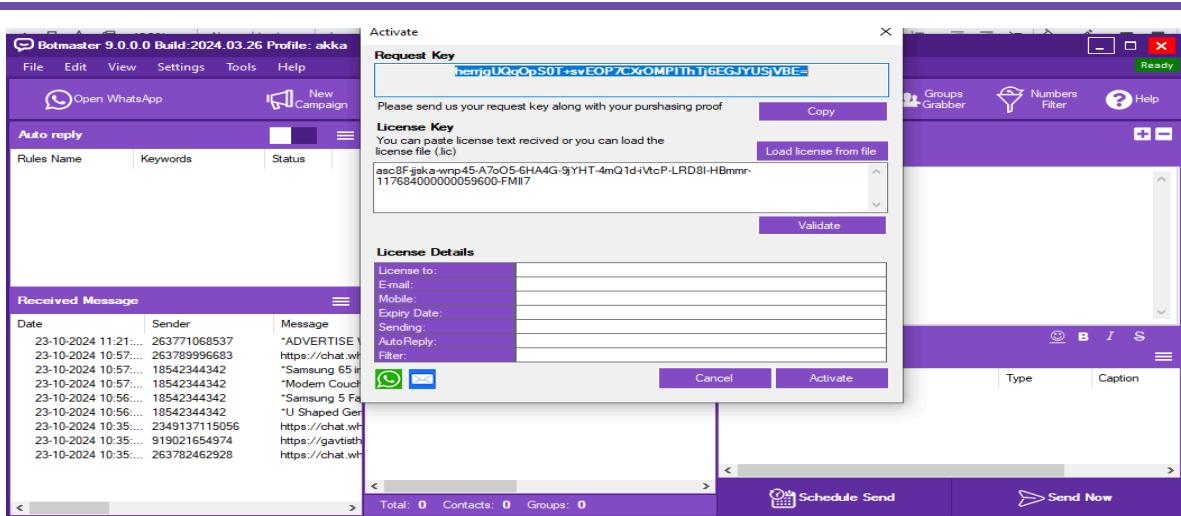

- **After Installing the software we need to take access from the owner by sending the Request key which is highlighted in the image.**
- **After they provide the access key to us we need to paste it in the License key Place of the empty box.**
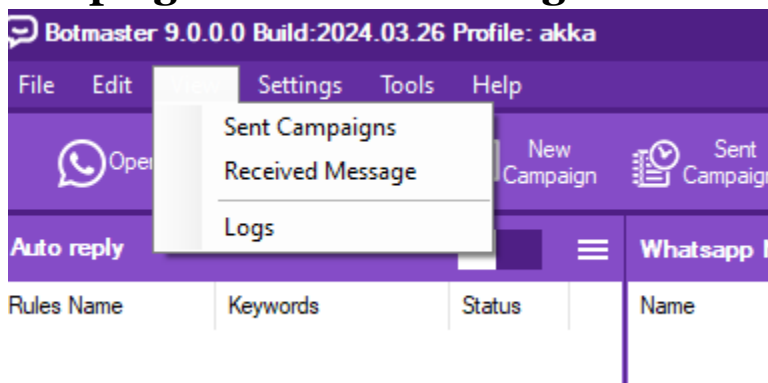

Header Path of the Product
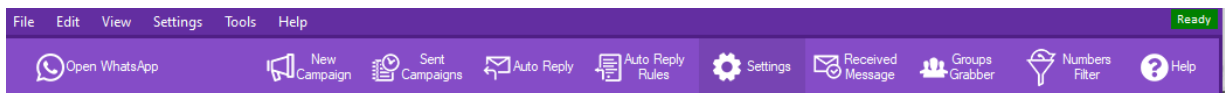

- **There is an option of File after clicking the file option we can seen some more options in that there is an** <mark>Create new Profile</mark> **with that option we can many profiles with different numbers.**
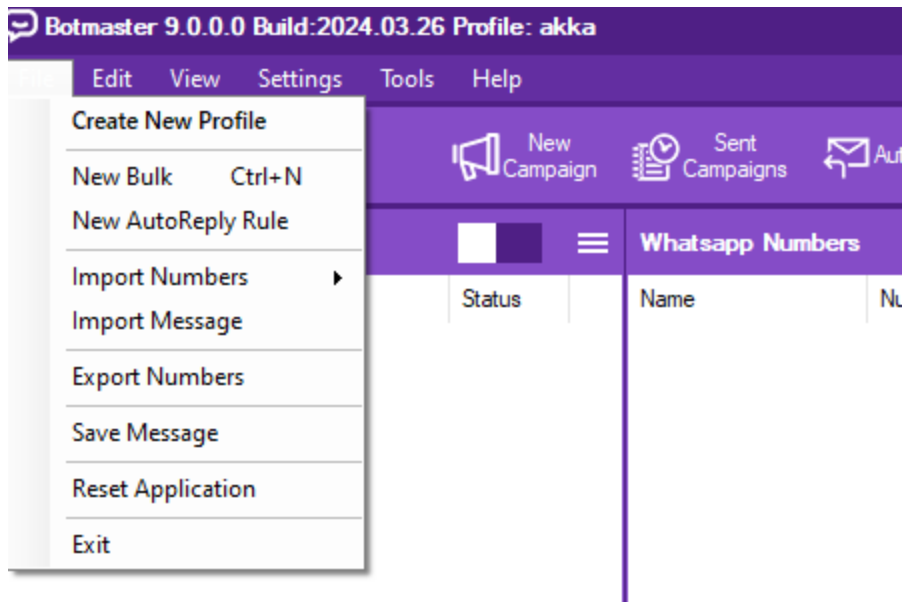

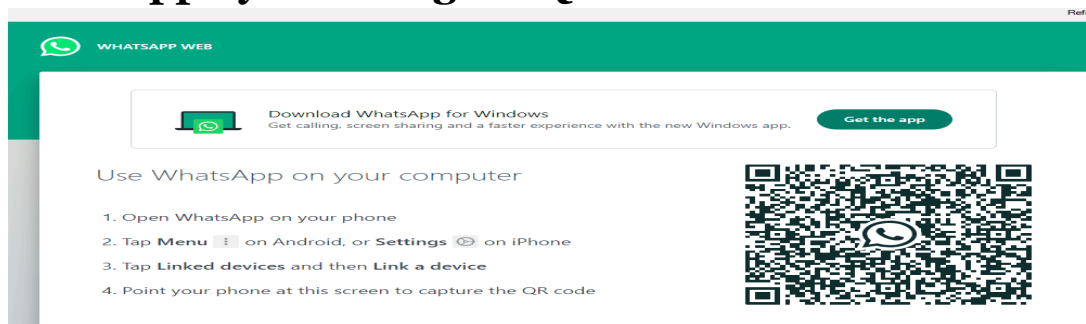

- **There is an option view in that we can see send campaign & receive messages from the campaign .**

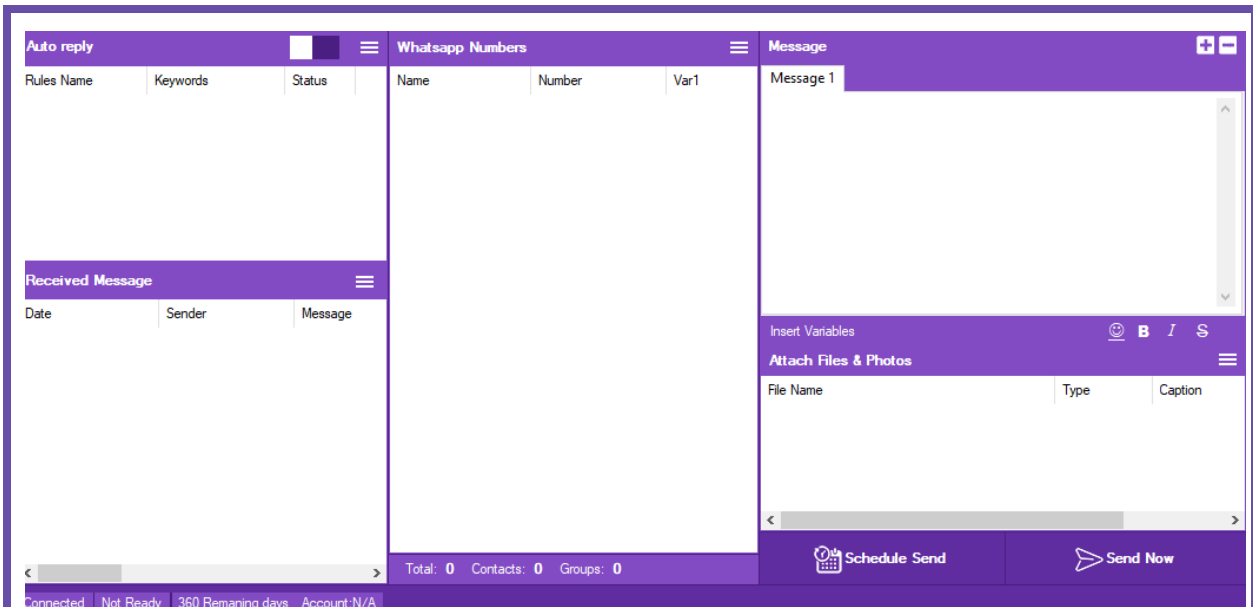

- **Coming to settings option in that we can set speed of campaign 4 options we can choose any 1 option.**
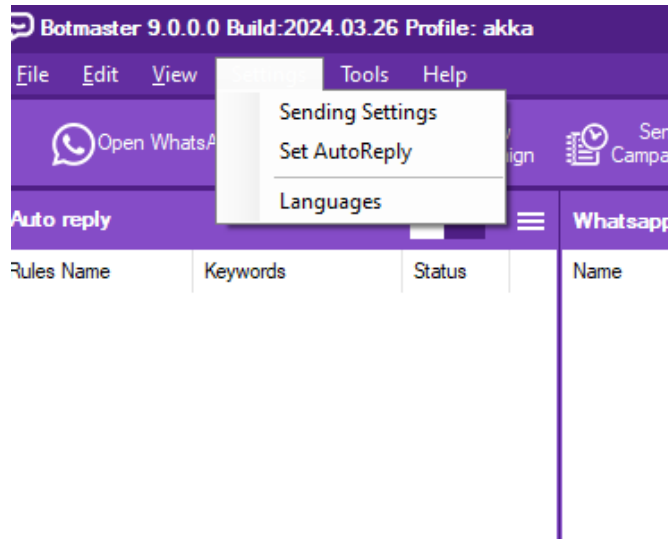

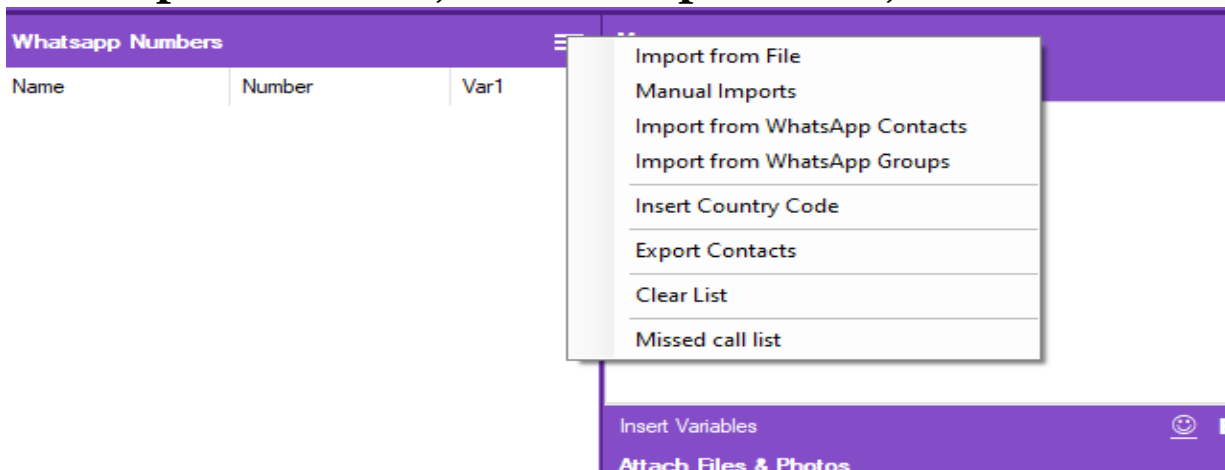

- **And last there is option of Open whatsapp we need scan through our whatsapp or we need to link the whatsapp by scanning the QR code.**

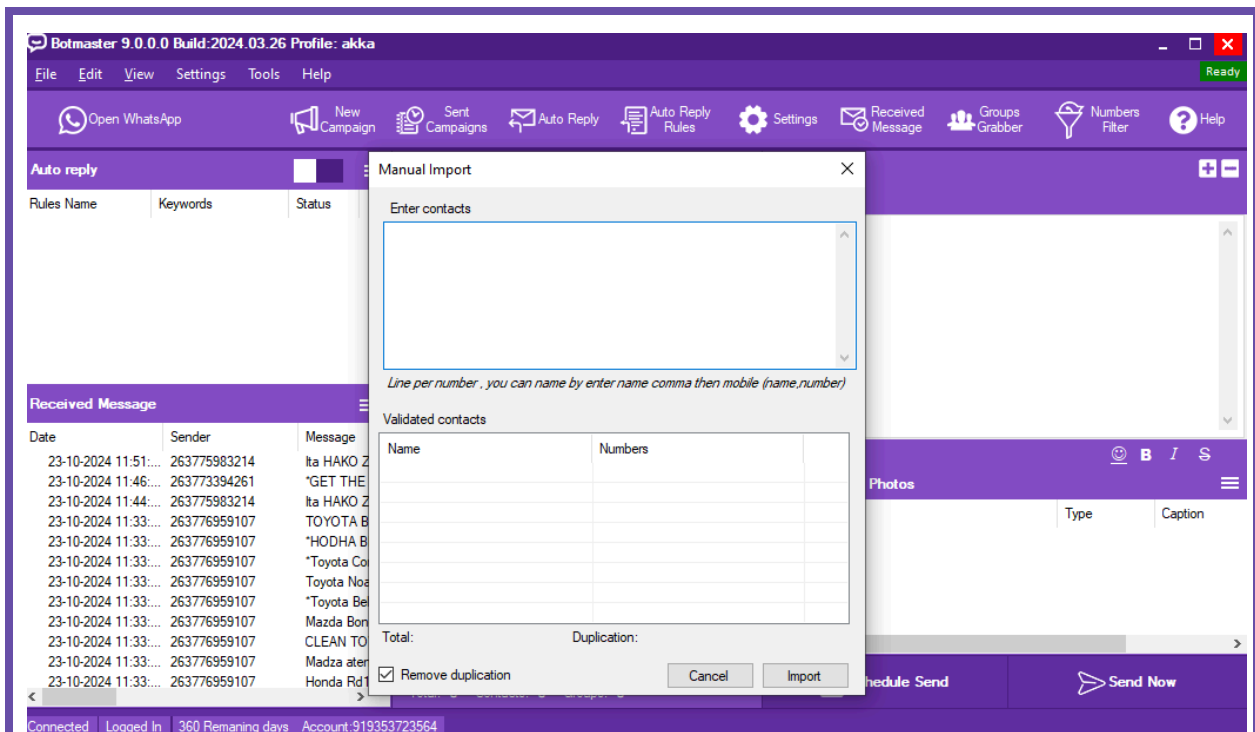

How to start campaign

- **In the place of Whatsapp number there is option at right side 3dot's after clicking it we an option like Import from file, Manual imports etc..,**

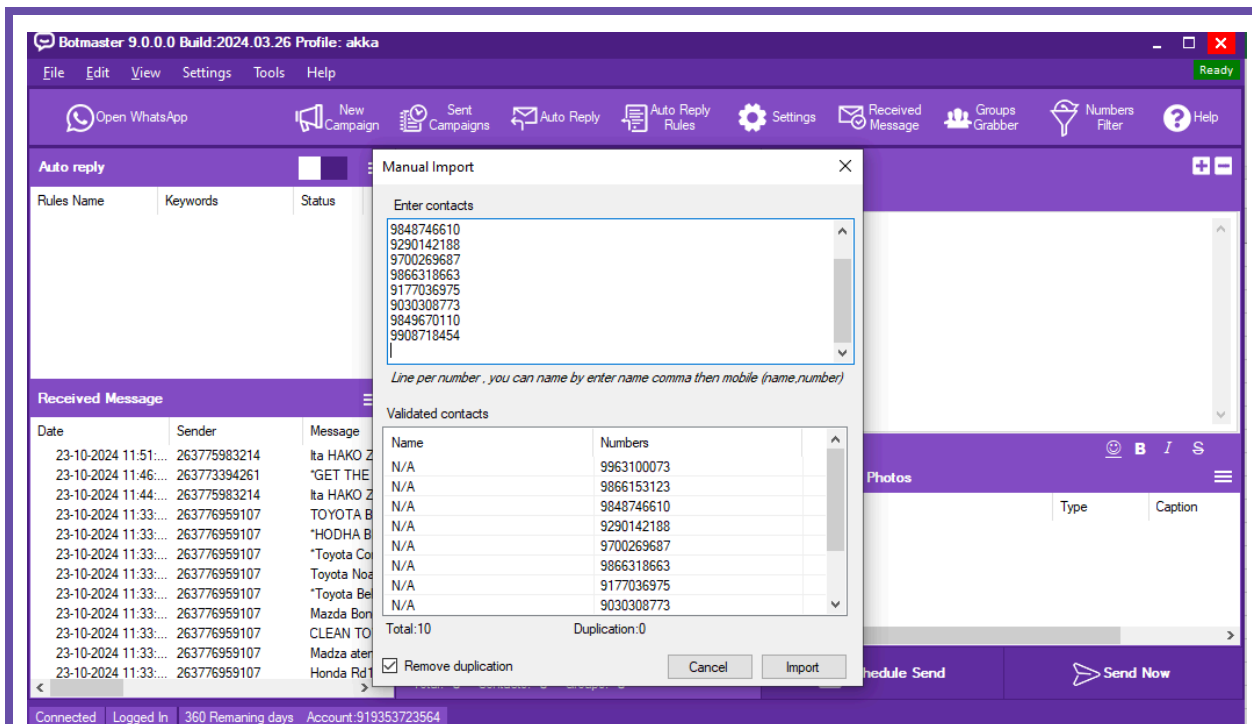

- **While selecting an option of manual imports we see a box in that we need to paste the whatsapp number directly.**
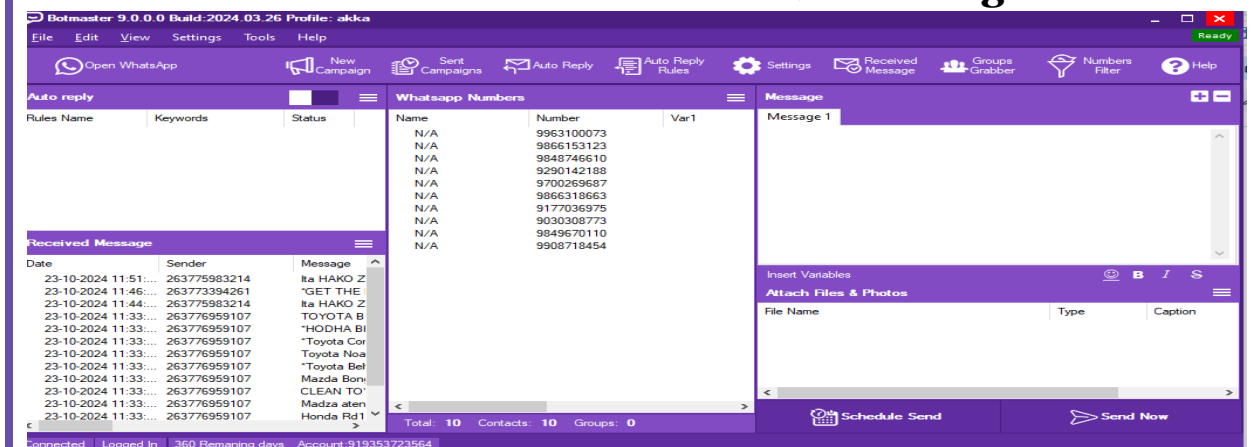

- **For Example we can copy numbers fro excel sheet also.**

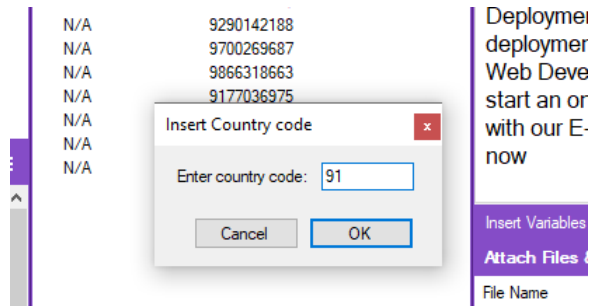

- **I selected 10 numbers from the excel sheet.**
- **And paste the number in the manual import box.**

- **After pasting the numbers we can see the count of numbers Total is 10.**
- **And then click on the import option.**
- **Then we see an interface like in above image**

- **Click again on 3 dots of whatsapp numbers there we can see insert country code add 91 & click ok .**

- **Coming to message option which is in right side of the box**
- **There we can paste the content about your company or Product information etc,,.**
- **In above image u can see the message was pasted .**
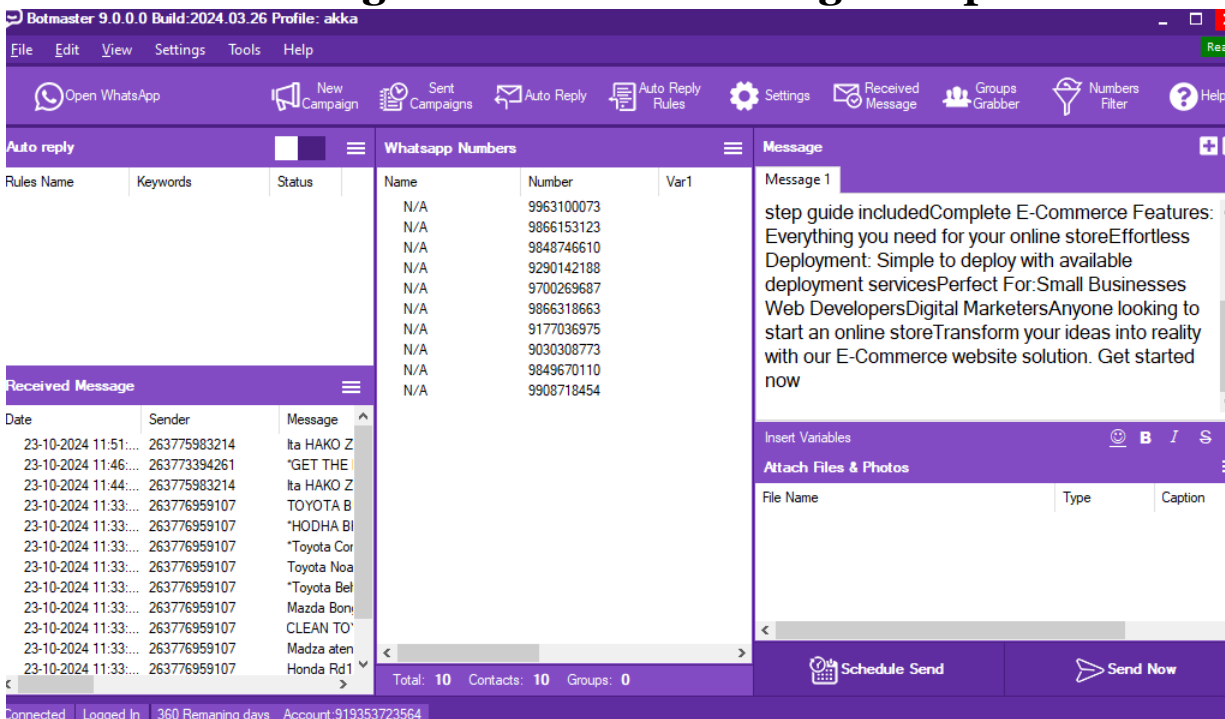

- **At last there is box there is an option of Attach file in that box u can add image by clicking on 3 dots at right side of the Attach file**
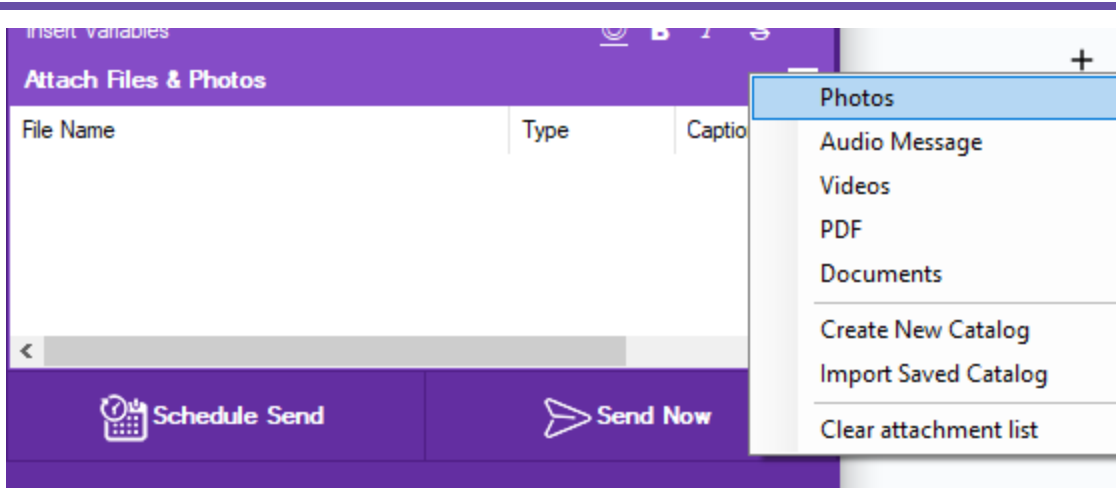

- **We can choose any option from those what u promoting .**
- **And click on Send now button we can 2 options like Safe mode & Blind mode click on Blind Mode .**

- **Then click ok**

- **Here we can see the campaign 2/10 the campaign is doing .**
- **We can our whatsapp the campaign was doing in our whatsapp.**

- **We see an option like campaign is done click on ok.**
- **We can the above image of completing 10/10**
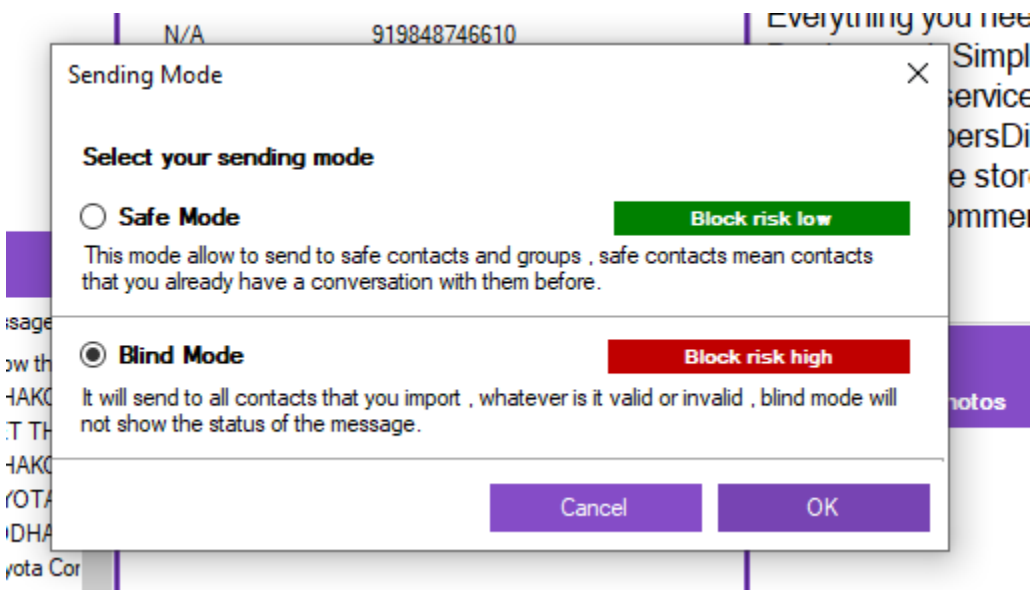

Sending Bulk - Blind Mode
